Thank you card for Variety Village being made/sent
Beaches paying \$800

## 3. Parent Communications:

Megan to ask Brittany to set up Google analytics on the website
68 new contacts 231 subscribers
$69 \%$ opening emails $16 \%$ click rate $-41 \%$ clicks for pizza
Note from the Principal in Sept encouraging parents to sign up to email/come to council mtgs seemed to be effective.
Approximately 275 students @ Kimberley and 80 students @Beaches
+/- 215 signed up to emails - assuming high percentage of families receiving emails now
Discussion was had about using social media for communicating to parents. Difficult to determine which is most effective, and there are concerns with using social media.
Facebook - concern about everyone being able to post - maybe we could limit comments?
Twitter - Currently used by teachers and office currently Tweets announcements in morning Conclusion of conversation was we will see how Oct goes with emails and revisit social media discussion if website and newsletters are not effective.
Lilian reminded group that School/Principal cannot send emails about fundraising/donations Council suggested that another prompting email directing Parents to the Council website from Lilian in January would be helpful.

## 8. Principal's Report:

All attendees reviewed School Budget and EQAO Report
EQAO report - Gr 3 doing very well Gr 6 is up and down. Lilian pointed out that is is important to note that no students are exempted from taking the test. All students are encouraged. Also, seeing as our school has a small group of students, it means percentages are more easily effected. We also have several students who leave in Grade 4 for the Gifted Program, which could contribute to lower scores in Grade 6 vs Grade 3
Upcoming Events in the School:
Remembrance Day Assembly - Nov 11 - Parents welcome to join
Halloween Parade Thursday Oct 31
Kindness Program - Free - Comes with dog to teach empathy - Planning to come to some/all classrooms
