- Decisions are not in the school boards (or Principal's) hands. They are coming from the Ministry of Health.
- TDSB gave Chrome books to families from schools - everything was catalogued and recorded. Kimberley was able to lend more than our school needed. Chromebook's will not be in the school in the fall, but will be eventually returned.
- Once a new Principal is chosen, there will be a letter and introduction sent to parents.

Year End & Next Year:

- Welcome to Kindergarten - a slideshow is being made to be sent to new parents/students. • Thank you Everyone!
