

# Welcome Back!

Dear Parents of Kimberley Junior Public School

Welcome to another wonderful year of learning and community! We hope you've had a great transition into the school year – especially our new Cougar cubs in JK! The weather has been amazing, although when it does rain it always seems to be at drop off or pick up...

For those that aren't familiar, KJPS Council is a team of parent volunteers who run events and fundraisers to support our school. Last year we were able to:

- Bring the Arts to the school with Prologue Performing Arts
- Build STEM into extracurriculars by supporting our Girls In STEM Lego Club
- Purchase 20 Chromebooks (and a cart!) to enhance classroom learning
- Build life skills and inspire students through the Sewing Studio workshop
- Boost classroom support for teachers by providing a supply budget

This year we have *big plans* (more than a concept of a plan) to help bring even more fun and learning into our school community and we need your help!

## TIME COMMITMENT

10 hours a month

2-3 hours a month

1-2 hours a month

School Council Executive Team (Chair, Treasurer, Communications, Secretary)

We are actively recruiting a Treasurer for KJPS Council. If more than one person is interested in an Executive Member role it may be possible to share the role as co-leads! More info on elections [here](#)

Voting Members and Committee Leads

Can't be part of the day to day? Consider becoming a voting member during our Council meetings every month. You will be on School Council, attend meetings, vote on decisions and be expected to volunteer at events/on committees when feasible for you.

Pizza Lunch, Movie Nights, Dance Volunteers

Help out occasionally with events by handing out pizza slices, manning the door at movie night, or stacking chairs!

This is a rewarding and low-stress-(dare we say, fun!)-way to be involved in your child's school community. Invest as much time as makes sense for you!

If you have any questions or want to learn more about KJPS Council – come out and meet us this **Friday, September 20 from 8:00am to 9:00am** for a coffee and a morning treat.

## PIZZA LUNCH

Pizza Lunch is back and we are starting it off with a FREE PIZZA event this Friday, September 20! No need to order, each student will get two cheese slices that day.

Not only a special day for our students and parents who don't have to make sandwiches; pizza lunch is a great fundraiser for KJPS Council. Each slice supports our initiatives!

To order for our October, November, and December pizza lunches please visit [School Cash Online](#) and order in advance.
